Project:

RE: LEED Applicability of Tile Tech's Hybrid Pedestal System

To Whom It May Concern:

Thank you for your interest in our Hybrid Pedestal systems. Tile Tech certifies that our Hybrid Pedestal system supplied to the above mentioned project contributes to multiple points within Materials and Resources Credit 4, as a single product that contributes to multiple points.

**MR Credit 4.1 and 4.2: Recycled Content**

Tile Tech Hybrid Pedestal System: Uni-Just and Stak-Cap Systems contain 20% Post-Industrial Recycled Material. Furthermore, Tile Tech's Hybrid pedestals are 100% recyclable and MADE IN THE U.S.A.

**MR Credit 5.1 and 5.2: Regional Materials**

Tile Tech Hybrid Pedestal System are manufactured in Southern, CA significantly within 500-mile requirement.

As an environmentally conscious company, we demonstrate this commitment in everything we do – from product design and manufacturing to packaging and delivery, to internal business operations. We are dedicated to providing products that are manufactured in an environmentally sensitive and efficient manner. Our focus is to create roof deck systems and green roof environments that not only are functional and beautiful, but help to support the environment.

If you have any questions or if I may be of assistance I can be contacted at (213) 380-5560 or at sales@tiletechpavers.com.

Sincerely,

Ronnie Tabibnia
